## Northwest Chinese School Offers Reduced/Waived Tuition for Chinese Language Classes for Students from Low Income Families

All NWCS students, current or new, from families with Adjusted Gross Income (AGI) lower than Washington State standards (details are listed on the Application Form: NWCS FA Form-1088), can expect to pay reduced tuition (up to 50%) or to enjoy 100% tuition waiver (tuition free) for one 2-hour Chinese Class only. In other words, this policy is not applicable to any selective classes at NWCS.

The following chart is the standards of total income before tax per household for qualified applicants. This chart is borrowed from Washington Housing Authority of current standards.
